

May 24 **Parent Update**

Lux families,

We made it! The most challenging school year in our memory has finally come to a close; welcome to summer!! Again, thanks for partnering with us to promote the best learning experience for our students. We hope you get to enjoy this break from school as well. A few reminders until fall:

Lux summer office hours:

The Lux office is open 7:30am - 3:00pm most weekdays, but will be closed on May 31 and July 5. Please call ahead if you need to reach someone, 402-436-1220.

Yearbooks for sale

Lux still has some yearbooks available for purchase. Please bring \$30 exact cash or a check (written to Lux) to the office. Once we have payment, the student will be added to the list of those receiving a reserved yearbook, once they arrive. We will take payment on a first come, first served basis until all the yearbooks are sold.

Yearbook distribution

We are still anticipating a June arrival for our yearbooks. Please keep watching for information about distribution.

Update student demographics

If there have been any changes to your student/family information (address, phone numbers, email, etc.), please contact the office so we can update your file and you won't miss any important communications over the summer.

COVID-19 vaccine for students

As you may have heard on the news, children 12 and older are now eligible to get the COVID-19 vaccine. If you choose to have your student vaccinated, please inform the school. You may send a picture of your proof of vaccination to the school nurse at ddebrie@lps.org. If your student just finished 8th grade, please send it to their high school nurse.

Boosters

For all the latest Booster news, meeting times, fundraising and other activities, check out the Booster [website](#) and facebook page.
